

Directions:

1. Turn to the template page and stick foil tape over the gray lines.

2. Stick the LED sticker onto the foil, on the footprint

3. Create your battery holder and clip your battery in place (see previous activities for details):

4. Cut along the bold red line

5. Fold up along the horizontal dotted line to make your blinking switch. Press and slide your finger across this switch, and the light will blink on and off!

6. Change the blinking pattern by moving or adding switch contact pieces!
